Technical Skills

- Java
- SQL
- PHP
- JavaScript
- HTML, CSS
- Windows OS
- MacOS
- Networking

Summary

Passionate about technology and programming, interested in developing skills in a professional environment.

Background in Java and foundational knowledge in PHP, SQL, and JavaScript.

Eager to learn, grow, and contribute to impactful projects. Check out my personal work on GitHub.

Education

“Don Bosko” Technical High School – Diploma in Computer Science and Software Engineering

“Kolegji Universum” University – First-year student in Computer Science and Software Engineering

Projects & Portfolio

GitHub Portfolio: github.com/denihyseni/python-journey

Explore projects such as Java applications, SQL database exercises, and Python learning exercises.

Abilities

- Problem-solving and analytical thinking
- Quick learner with adaptability
- Effective communication and teamwork
- Strong ambition to achieve deep knowledge in programming

Hobbies

- Developing small programming projects
- Reading technical literature to enhance programming knowledge
- Sports activities and fitness

Aspiration

I aim to apply my knowledge in a professional environment, contribute to impactful projects, and continue expanding my expertise in programming and technology.
